"Insurer" - the largest German insurance company and one of the largest in the world, included in the list of systemically important for the world economy, carrying out insurance activities in accordance with the issued license. "Policyholders" - capable individuals, sole proprietors or legal entities of any legal form who are investors in Rockets-Agency. "Deposit" - cash in U.S. currency USD placed by individuals or entities with Rockets-Agency.

Sum insured is an amount of money determined by the insurance contract, on the basis of which the amount of insurance premium and insurance indemnity are set. The sum insured is determined by agreement of the parties, but not exceeding the amount of Rockets-Agency investor's deposit. An insured event is an event specified in the insurance contract, upon the occurrence of which the Insurer is obligated to make an insurance payment to the investor of Rockets-Agency. An insured event is a loss incurred by an investor as a result of the failure of Rockets-Agency, with which the insurer has an insurance contract, to fulfil its obligation to return the deposits and the accrued interest within the time period stipulated in the investment contract.

The contractual insurance covers insured events occurring during the validity of the insurance contract. The insurance contract is concluded on the basis of an oral application of the Policyholder by drawing up an insurance certificate, signed by the Insurer and the Policyholder. For the conclusion of the insurance contract the Policyholder has provided the Insurer, the original documents of Rockets-Agency. The insurance contract is concluded for 5 years. The insurance contract shall come into force at 00 o'clock specified in the insurance contract as the date of coming into force of the insurance contract unless otherwise specified in the insurance contract. The insurance contract terminates at 00 hours specified in the insurance contract as the date of its termination.
